RESPONSES TO
REQUEST FOR QUALIFICATIONS FOR
LAND SURVEYING SERVICES

The School Board of Miami-Dade County, Florida, intends to select one (1), or more, firm(s) for providing professional services by the Board for:

LAND SURVEYING SERVICES

The firm(s) will be contracted for a period of four (4) years, with the second, third and fourth years at the Board's option. Work will be assigned on the basis of the firm's workload, qualifications for the task, and performance on previous assignments. The Board does not guarantee any minimum number of projects or any specific dollar value. The Board reserves the right to limit the number of concurrent contracts held by a single firm.

Proposals Submitted on: September 10, 2007
