

Miami-Dade County Public Schools  
Contractor Prequalification  
Instructions

Pursuant to Florida Statute and the State Requirements for Educational Facilities, the School Board of Miami-Dade County, Florida certifies companies as prequalified to bid on the District's construction projects. The purpose of the prequalification process is to ensure that the District only hires responsible contractors that will deliver projects of the highest quality, within budget, and in a timely manner.

Contractor Prequalification Certification is a prerequisite to bidding on District work, irrespective of the delivery method, e.g.: design build, construction management (CM-at-Risk) or hard bid. The prequalification process takes approximately sixty (60) days to complete; therefore, if you are interested in bidding, you should apply for prequalification, as soon as possible.

To apply for Contractor Prequalification Certification, a company must file one (1) original and fourteen (14) copies of the attached Contractor Qualification Statement (Contractor Prequalification Certification Application, Form FM-5896) with the Division of Business Development and Assistance, Contractor Prequalification, along with the required supporting documents. Please visit the Contractor Prequalification website at, [facilities.dadeschools.net](http://facilities.dadeschools.net) (Planning, Office of Prequalification) or call (305) 995-1420.

**All information must be submitted on the proper M-DCPS forms only.** All advertisements for Board projects that require bidders to be prequalified, also state that prequalification is required.

Incomplete applications can not be processed; therefore, please make sure that your application is complete before it is submitted for consideration. If requested information is not applicable, please indicate "N/A" or "None." If answers to questions are lengthier than the spaces that are provided in the application, the answers may be provided on additional pages, which must be attached to the application. The following support documents must also be attached to the application:

- Company's general contracting license
- Company's qualifying business license
- Company's qualifying agent's license
- A resumé for each owner, director, officer, and key employee
- Contractor Prequalification Application Project List (Page 8 of 9) that includes information on all projects that were completed by the company during the past five (5) years
- Information (including the outcome) for any construction claim or litigation that was initiated by or filed against the company during the past five (5) years
- A Surety Letter of Intent (FM-6696) (Page 9 of 9) from a company that is authorized to do business in the State of Florida and that is AM Best rated as A- or better, or
- A current audited financial statement

Miami-Dade County Public Schools  
Contractor Prequalification  
Instructions

In addition to including the above referenced documents, please make certain that the application is duly signed sealed and properly notarized. Contractor Prequalification Applications will be reviewed for completeness and if an application is not complete the omitted information will be requested within fifteen (15) calendar days of receipt of the application by the District. The District also reserves the right to request additional information as deemed necessary, based on the answers that are given in an application. Applicants will have ten (10) work days to provide, in full, all of the requested information. Failure to provide the information within the prescribed time will delay the review process, and result in denial of prequalification.

Applications must be completed by an owner, officer, or some other individual who is responsible for and knowledgeable about the management of the company's operations and who is authorized to generally bind the company, contractually. The Board will act to grant or deny a company's Contractor Prequalification Certification by no later than sixty (60) calendar days after its application is received by the Board, or as otherwise prescribed by School Board Rule 6Gx13-7D- 1.05.

Pursuant to Section 287.133(2)(b) Florida Statute, a person or affiliate that has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods and/or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

Pursuant to School Board Rule 6Gx13- 7D-1.05, subsection I. B. affiliate means business concerns, organizations, or individuals that directly or indirectly, (a) either control or have the power to control the other or (b) a third party controls or has the power to control both. Indicia of control include, but are not limited to, interlocking management or ownership, identity of interests among family members, shared facilities and equipment, common use of employees or a business entity that has been organized by a delinquent entity, individual, or affiliate following a contractor being declared delinquent that has the same or similar management ownership or principal employees as the delinquent contractor.

Applications must be addressed to: **Division of Business Development and Assistance**
